Dick Whittington - the panto

Rehearsals are well under way for the panto, Dick Wittington. With the slighter short rehearsal period, the cast have thrown themselves into learning lines and practising songs and dances with great support from the crew and production team. It promises to be another lively show and will include many locals in various guises. Pete Hilton continues to burn the midnight oil, crafting his script and fine tuning the music while Avril Munford says she is staggered at the enormous feet, sorry dedication, shown by the cast at dance rehearsals. Panto dates - Jan 27, 28 and Feb 2, 3 and 4. Tickets on sale early January.

Spring production

Peter Gellatly is selecting the spring production - it is most likely to be a thriller. Mark the date in your diary for the auditions - February 16th at the Peaslake Memorial Hall. He will need a nice producer, so buy him a drink in the Hurtwood or give him a call if you fancy the role: 01483 202689
